## **PREPARE A SMALL SIGN**

There are many small signs on the Village Campus which are presently being restored. Each sign will have a Vinyl printed and that vinyl needs to be securely attached to the corresponding sign board.

You will need to be able to come to the village and pick up your sign board and vinyl. You may go through the attaching process on the Village Premises or you may remove the sign board to your own home and finish it at your convenience. In either case there will be a specific set of instructions on exactly how to attach and complete the vinyl to the sign board.

To make arrangements to pick up and complete one or more signs: please sign up and ask to “**PREPARE A SMALL SIGN**”.

Someone will be in touch with you.
