A 501c3 Public Educational Foundation

Thanks for your interest in helping out the Village.

We believe it's a treasure worthy of being preserved for all future generations!

The name of this opportunity is:

REMOVE/REPAIR & RETURN

There are items in the village which are transportable and need maintenance and painting. We are looking for local or regional volunteers who could come to the village, pick up one or more of these items and take them to your own home or shop, repair and restore them, and return them to the Village. This would require some documentation and time commitments and a clear discussion of who bears any incidental costs of the process. If you would be interested in removing, repairing and returning some item(s) for the Village: Please sign up and indicate that you would like to “**REMOVE/REPAIR & RETURN**”.

Someone will be in touch to discuss the details.
