

Harold Warp Pioneer Village Artisans Fair Event Schedule

Join us for a weekend filled with fun, education, and a celebration of craftsmanship! Here's what you can look forward to:

Family Activities On the Village Green all day long

- Hands-on activities for children including building with mud and broom making.
- Friendly contests like the handmade ring hook contest and a traditional potato sack race.

Artisan Stalls and Demonstrations Bldgs 13, 21, Village Green

- Experience blacksmithing, weaving, and other traditional crafts.
- Learn through engaging demonstrations that showcase both historical and modern techniques.

Storytelling Sessions (See our Ft. Kearney Re-Enactors on the Village Green all day) Cannon firing multiple time throughout the day per announcements

- Captivating tales of bravery, love, and adventure by local historians and performers.

Culinary Delights (Throughout the Village) 11-4

- Enjoy homemade pastries, freshly baked brisket, and traditional recipes.
- Participate in rammed earth cooking demonstrations.

Live Music and Performances (featuring The Shockitanos 12 - 2 pm)

- Enjoy a variety of music genres from traditional folk to rock.
- Participate in communal dances and enjoy vibrant performances.

General Admission Entry

- Members Always Free!

ARTISAN APPLICATION

Step into a celebration of craftsmanship where history meets modern artistry! The Harold Warp Pioneer Village Artisan & Living History Fair is your chance to share your skills with an appreciative audience who values the time, dedication, and mastery behind your work. From the timeless beauty of woodworking, pottery, and glassblowing to the innovation of metal sculptures and other artisan crafts, we invite creators who take pride in their craft. While demonstrations are encouraged, they're not required—whether you choose to work live or display your finished pieces, your artistry will help tell the story of skill, creativity, and tradition that continues to inspire today.

☐

Electric

☐

Table

The cost for an artisan space (10' x 10') is **\$20, due with the application**. Each artisan will be provided a designated space around the Village Green or indoors depending on weather, the heart of the fair where activities, demonstrations, and historical reenactments will be taking place throughout the day. This central location ensures high visibility and engagement with visitors, creating an ideal setting to share your craft and connect with the community.
